

KHALIF FATTURROZY

WEB & APP DEVELOPER | UI/UX DESIGNER | DATA MINING ENTHUSIAST

An Informatics Engineering student specializing in web/app development and UI/UX design. I combine visual design with technical functionality to create user-friendly, efficient solutions. Skilled in Data Mining and database management, I also bring freelance experience in end-to-end project development, supported by strong abilities in social media strategy and visual content production.
